

AMERICAN DIABETES MONTH®
NOVEMBER 2009

WHY DO

most people think that diabetes is just a condition?

WE NEED

you to understand that it's a serious disease that takes more

AMERICAN

lives every year than breast cancer and AIDS combined.

DIABETES

is an epidemic. And during the

MONTH

of November, you can start putting a stop to it. Help raise awareness.
And the hope that we'll find a cure. Where do you start

?
