

OBJECTIVES:

- To present and discuss current processes and practices, technologies, and treatments in caring for the trauma patient
- Participants will understand pre-hospital and hospital practices routinely applied to the care and management of the trauma patient
- Identify issues related to care of trauma patients
- Describe current trauma related topics including controversies in pre-hospital airway control, modes of patient transport, and usage of CT scanning

TARGET AUDIENCE:

Physicians, Nurses, Physicians Assistants, Nurse Practitioners, Emergency Medical Personnel and other allied healthcare professionals who are responsible for the provision of trauma care.

CONTINUING MEDICAL EDUCATION:

The American College of Surgeons designates this educational activity for a maximum of 7.0 AMA PRA Category 1 Credits. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

MIEMSS approves this program for 7.0 Continuing Education hours. Each session will be 1 hour for either category, ALS or BLS.

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

PROGRAM FEE:

Physicians \$150.00

Nurses, Allied Health \$95.00

EMT-P, EMT-B \$95.00

Cancellations must be received by close of business Friday, March 26th 2010. Registrations received after this date will be non-refundable.

Only registered attendees will be permitted in the conference area.

Meals:

A continental breakfast, luncheon, and afternoon refreshments will be provided.
