Printed Materials Order Form

Outreach Materials for Patients

“Talk to a Doctor or Nurse”

This full-color brochure encourages adult patients to recognize abuse as a health concern. Information regarding identification of abusive acts and danger, the health risks of abuse, safety planning and community service provider referrals. Available in Spanish translation.

“Love Doesn’t Have to Hurt”

A similar full-color brochure encourages teen/young adult patients to recognize dating violence as a health concern for victims and secondary victims. Information regarding recognizing risk factors and abusive acts, the health risks of abuse, safety planning and community service provider referrals. Available in Spanish translation.

Shoe Cards

Discreet business-size cards encouraging patients to call for help in domestic violence situations. Includes hotline number.

Information for Health Care Providers

“Your Patients: Their Health and Safety”

A brochure for health care professionals who must recognize and respond to indicators of abuse. Contains a RADAR screening and documentation guide, as well as a listing of victim resources across the state.

“Confidentiality and Reporting Requirements in Maryland”

A guide for health care professionals responding to abuse and neglect of children, intimate partners and vulnerable adults.

A Guide for Health Care Professionals

Confidentiality and Reporting Requirements in Maryland

Responding to Abuse and Neglect of Children, Intimate Partners and Vulnerable Adults

AND...

“I Just Don’t Have Time...”

An 8 1/2" x 11" poster outlining the time required to screen for domestic violence versus screening for other life-threatening conditions. We also have an 11 x 17 Domestic Violence poster that can be ordered.

“I just don’t have the time to screen my patients for domestic violence.”

Did you know that an inquiry about a history of domestic abuse generally takes as much time as asking about other life-threatening health problems?

Consider the following:

Know what to ask and where to refer.
