GENERAL INFORMATION.

The most urgent need of the Medical and Chirurgical Faculty at the present time is a new building.

The Building Committee has inaugurated an active campaign to raise funds for this purpose. A special soliciting committee has been appointed to personally interview each member of the Faculty on the subject. Every member of the Faculty is urged to take an interest in this project and help to make the new building a certainty in the very near future.

The Annual Dinner will be held in the Faculty Hall on Thursday evening, April 25, at 8 o'clock. The hall will be appropriately decorated, music will be furnished, and everything done to make this occasion enjoyable.

A number of prominent guests, including Governor Warfield and Mayor Timanus, will be present and respond to toasts.

The subscription fee will be \$3.00. Tickets may be obtained at the library, from the members of the Reception Committee and from Dr. A. P. Herring, 1317 Madison Ave., Chairman of the Committee on Arrangements, until the close of Wednesday evening's session.

The Program Committee desires to announce that the general public is invited to attend the sessions held in McCoy Hall, on Wednesday evening and Thursday afternoon.

Papers limited to fifteen minutes. Discussion to five minutes.

RECEPTION COMMITTEE:
