Johns Hopkins Bloomberg School of Public Health

FREE EVENT!
3 CME credits
offered

Objectives: At the conclusion of this activity the physician will be able to

- Identify two risks of untreated psychiatric illness during pregnancy;
- Define the term "confounded by indication;"
- Quantify the risk of persistent pulmonary hypertension in antidepressant exposed newborns;
- Relate recent trends in substance use in pregnancy;
- Describe the role of obstetricians in providing clinical care to substance-using pregnant women; and
- Recognize opportunities for research related to substance use in pregnant and post-partum women.

To Register, visit us at <http://healthymaryland.org/meetings-events/free-sbirt-training/> or contact the Center for a Healthy Maryland at 410-539-0872/800-492-1056 ext. 3337 or email center@medchi.org.

CME Accreditation Statement

"This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of MedChi, The Maryland State Medical Society, The Center for Healthy Maryland and Behavioral Health System Baltimore. MedChi is accredited by the ACCME to provide continuing medical education for physicians.
